*"Dark as roses, and fine as sand  
I feel your healing in your sing again  
I hear you laughing and my soul is saved"*  
Photographed by RITA PRAGA

*"Raining in my heart, said you'd been afire  
I know I was wrong, baby please come home  
You've got me crying, 'bout to lose my mind,  
Don't let me cry in vain, try my love once again"*
