KATE
young & free

The life of a model is a strange one, fitting between youth and adulthood with the metamorphosing swish of a makeup brush and wardrobe change. We doubt it's escaped anyone's attention that Kate, darling of the modelling world, has grown up of late. But that's not to say she can't play both roles with equal conviction. Scooped up by Free People for their latest campaign, Kate is firmly back in youthful, carefree, fun territory. And with every pose she does the clothes perfect justice.
